Flexible terms tailored to your motoring needs: As specialists in Mazda vehicles we can tailor a finance package to both your budget and your motoring/ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car

MAZDA PERSONAL SERVICE PLAN

Like all cars, Mazdas require routine maintenance to ensure reliability and efficiency

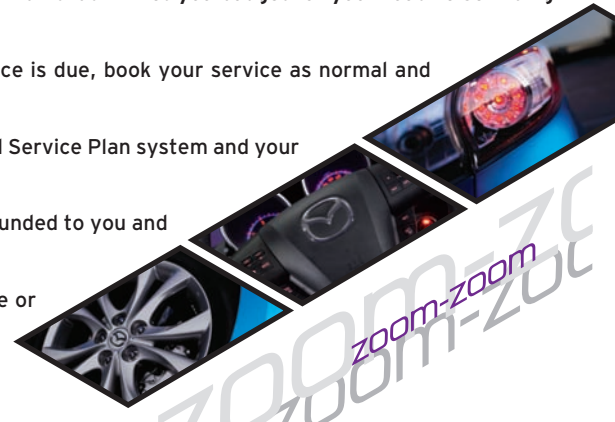

To make sure your Mazda is maintained the way that Mazda intended why not set up a Service Plan that will let you budget for your routine servicing in the same way you pay your other bills i.e. by monthly direct debit

How does Personal Service Plan work? Once your plan is set up and your next scheduled service is due, book your service as normal and the cost of the service is paid from your Personal Service Plan fund.

What will it cost? Your anticipated mileage and period of ownership are entered into the Personal Service Plan system and your monthly direct debit amount is calculated for you based on current parts and labour charges.

What if I change my car? No problem. Any unused funds in your Personal Service Plan will be refunded to you and a new plan can be calculated for your new car.

How do I apply? If you have not already been offered a quote, speak to a member of our service or sales team and they will be happy to calculate a plan that meets your individual requirements. And if you like what you see it can be set up for you in just a couple of minutes.

MAZDA FINANCIAL SERVICES FINANCE PLANS

Mazda Conditional Sale: The traditional way of buying your car. Mazda Conditional Sale is flexible and simple, with a range of options to suit everyone.

DEPOSIT

*BALANCE - MONTHLY
REPAYMENTS*

Mazda Personal Contract Purchase: The finance plan that helps you to change your Mazda car at more regular intervals. Enabling shorter term finance agreements, meaning a new car more often.

DEPOSIT

*BALANCE -
MONTHLY
REPAYMENTS*

GFV

The benefits

- Simple - fixed, equal, regular instalments.
- Predictable - pay all your instalments and you own the car
- Flexible - you determine your repayment period at the start of your contract, meaning that you have total control of your budget.

How it works

1. Choose your Mazda. Tell your dealer the deposit and repayment period you want, from 12-60 months.
2. Agree your repayments. These are based on how much is left to pay, plus interest where applicable.
3. Drive away the moment we activate your agreement.

At the end of your contract, when all instalments have been made, the car is yours. You now have two choices:

- **Renew: Choose another Mazda** The car is yours; you can part exchange it for another Mazda and use the value as your deposit.
- **Retain: Keep the car** The car is yours once all instalments have been made.

The benefits

- You can fund your car over shorter periods, so you get the chance to change more often.
- The flexibility at the end of the agreement to choose to renew, retain or return your Mazda.
- You're protected against any fall in used car prices by a Guaranteed Future Value (GFV).

How it works

1. Choose any new or used Mazda. Estimate your annual mileage.
2. We estimate the minimum amount your car will be worth once your contract finishes - the GFV.
3. To work out your regular payments we add any interest charges and deduct your deposit plus the GFV from the price of your new Mazda.
4. Drive away the moment we activate your agreement.

At the end of your contract, when all instalments have been made, you now have three choices:

- **Renew: Choose another Mazda** Use any excess value above the GFV towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account.
- **Retain: Keep the car** Simply pay the GFV, and the car is yours.
- **Return your car** There's nothing more to pay if the car's in good condition and within the agreed mileage.
